The Old Vicarage Hotel
Wedding Brochure

Thank you for considering The Old Vicarage Hotel for your wedding.

Our approach to helping you plan your special day is quite simple yet has proved to be remarkably effective - we listen and talk about your needs.

In this introduction to planning your wedding at The Old Vicarage Hotel there are surprisingly few facts and even fewer lists: instead we try to give you a flavour of how we can make your day extra special and hope that it will inspire you to arrange to visit us and discover how our skills and your dreams will ensure that The Old Vicarage provides a day to remember.

With just 14 bedrooms, you can be reassured that no matter if you invite ten guests or one hundred, your wedding will be the only event hosted by The Old Vicarage throughout the day: You and your guests will have the hotel and its grounds for your exclusive use, and best thing ... there is no additional cost for this. This means that our staff will be totally focused on ensuring the success of your special day.

The Old Vicarage is family owned and run. This gives us the ability to be very flexible in our approach and gives you the reassurance that you are dealing with people who care about the success of your wedding day just as much as you do - whether you are planning a meal that will last for just a few hours or an event that will fill an entire weekend.

The renowned Orangery Restaurant, with its superb views over the rolling Shropshire countryside, provides an unforgettable venue for your wedding breakfast and your civil ceremony and is sufficiently versatile to handle both large and small parties.

Our head Chef, Gavin Allen, has won awards for his culinary skills and The Old Vicarage is proud of his ability to harness the abundance of fresh local produce to create innovative menus that are simply stunning, and our sous chef Simon Morris was the head pastry chef in Simpsons restaurant, a Michelin star delight. You will love Simon's creativity and passion in creating the perfect pudding.

We trust that this brief introduction will encourage you to talk to us. Have a tour of the hotel and see the superb reception areas where your guests can meet before the meal. Walk the grounds and envisage your wedding photographs being taken amid beautiful countryside and see how, with our experience and enthusiasm, The Old Vicarage Hotel can make your wedding day exceed your expectations.

The Finer Details....

We understand the stresses of planning your big day! To help we have compiled a list of answers to our most Frequently Asked Questions, which we hope will help.

Table Layout & Seating Plan

There are several options to the layout of the tables in the Orangery. Your first decision should be to decide if you want a top table, and how you would like that to look. The remaining tables can then be placed around that.

A long table can seat up to a maximum of 10 guests, or you may wish to choose a round top table (maximum 9 guests) or a sweetheart table for just the happy couple.

A long top table for 6 guests measures at 12 feet. For 8 guests this is 16ft and for 10 guests, this is 20 ½ feet.

You can then have 7 additional round tables seating maximum of 9 guests. For larger wedding over 70 guests 2 additional tables are set up in the 'Old Bar' connecting to the Orangery. These are Oval tables and can seat up to 10 guests.

Below are a few examples:

2 weeks prior to your wedding, we will ask you for your table plan. This will be a table-by-table list of your guest names; in the order you wish them to be sat around the table. If you are offering your guests a choice menu, we will also need to know what dishes they have chosen, alongside any dietary other information we need to know, i.e.:

Table 1	Starter	Main	Dessert	Information
Hannah Smith	Soup	Beef	Eton Mess	Gluten Free
Tom smith	No Starter	Beef	Chocolate Mousse	Child, Highchair Required

Where guests have given a choice, we ask that you put their options on the reverse of their name card as a reminder to them on the day and to help ease of service.

We have a tabletop easel, for you to display your seating plan on when your guests enter for the wedding breakfast.

Chair Covers / Sashes

We have plain white chair covers designed specifically to fit the chairs in the Orangery. We also have a selection of sash colours to choose from. Ivory, Silver, Sage Green, Royal Blue, Navy Blue, Turquoise, Deep Purple, Lilac Lace/organza, Yellow, Rose pink, Coral satin & Red (Limited No.)

If we have a colour to match your scheme, then these will be included free of charge with the hire of the chair covers. (Please note we have varied numbers of each sash colour, so please check with us.

Should you decide to have Table-runners, the diameters/lengths of the tables are as follows:

Diameter of the round tables for 8 guests are 5ft.

The Length of a top table for 6 guests is 12ft, 8 guests is 16ft and 10 guests is 20.5ft

Cake and Card table are 3ft.

Centre Pieces / Favours

We are happy for you to design and chose your own centre pieces, we only ask you to take into consideration the height and width of your decorations to ensure that we are able to serve your wedding breakfast easily, and that guests at opposite sides of the tables are able to see & speak to each other.

Small candles, such as tea-lights are fine, but need to be in something that will catch any wax drips, and make sure you bring in spares so that fresh candles can be used for the evening function. We are happy for sprinkles, gemstones, confetti to be used within reason.

We also have silver table number holders available for use with your own table numbers/names.

We can also offer candelabras, which measure at 32 inches.

Any types of favours can be used, so long as they are not alcoholic.

We will arrange a suitable time for you to drop your centre pieces and other bits prior to the big day.

If you have smaller children at your wedding, it may be advisable to provide a small activity pack to keep them occupied during the wedding breakfast or some outdoor toys.

Room Bookings & Check-in.

As part of your package, you will be contracted to take the 14 rooms in the hotel. We leave the allocation of these rooms down to you, as you will know your family & friend's requirements and tastes. Approx. 2-3 weeks before your wedding, you will be invited to view the hotel rooms and complete a room allocation list. This list will guide you as to which are our family rooms, which rooms can have extra beds and accessibility. Please note the maximum capacity of the hotel is 35 guests.

The prices for weddings rooms are £110 Bed & breakfast. We often publish room rates on websites such as Booking.com and Laterooms.com at a discounted room only rate. These rates are only available at short notice to help us sell rooms at late notice, not unlike the airlines and are not available at weekends. Often your guest will go online to see what the cost of the room is and comment on the different prices quoted. We charge for weddings a set price regardless of type of room and all the rooms are guaranteed at this price, we do this instead of charging a venue hire fee as in other smaller venues.

Check in is at 2.30pm. Where available, early check-in may be arranged at a cost of £25.00 per room, however this is strictly by prior arrangement only. **Check-out is 10.30am prompt.**

In order to make the check in process as efficient as possible please supply your guest's name and email address details, this will enable us to then just hand over the keys and direct your guests to their room without the lengthy check in process.

Civil Ceremony

The registrar will arrive approx. 45 minutes prior to your allocated wedding time. They will speak to each of you in turn prior to the ceremony, which will last approx. 20-30 minutes. It is important you are both on time for the ceremony. The registrar's often have other weddings booked and will leave if you are more than 20 minutes late.

You will need to provide music for the ceremony, we use Apple Music on our own iPod. You will need an entrance song, 2-3 songs for the signing of the registrar, and an exit song. These choices will need to be approved by the Registrar, to ensure no religious content.

Bio- degradable confetti is only allowed outside the hotel.

Entertainment and extra's

The house DJ is included in your package. We use Mr Gee Entertainments. You can contact them prior to discuss your first dance and other playlist options for your wedding.

We are happy for small musicians to play at our venue, i.e., solo guitarists, string quartets, solo vocalists etc. However, due to the size of the venue, we are unable to allow any larger live bands due to the limited space on the dance floor and consideration of our neighbours with noise levels. Anyone coming into the hotel would need to provide us a copy of their public liability insurance.

You are also welcomed to have any other form of outside entertainment such tabletop magicians, caricaturists, children's entertainers etc. again a copy of their public liability insurance would be required. There is also adequate space in the Orangery for Photo booths and sweet carts should you so wish.

Please note we do not allow any third-party food at the hotel; this is all provided by the hotel.

Behind the bar!

The Bar is open until midnight. All guests will be asked to move from the Orangery into the lounge at this point, and we would kindly ask all guests leave for their rooms or snug by 1.00am.

We have a large selection of beers and ciders behind the bar. We can also arrange for an Enville Bright Ale to be available on draught especially for your wedding. These can be brought in in barrels of 36 or 72 pints. Any unsold pints would then be charged back to yourselves at cost price (approx. £1.48/pint)

The Snug

When the evening is drawing to a close and the last non-resident guests leave at the end of the evening we offer a small lounge, to just kick off your shoes and mull over the day. This is a room that is for residents only and is left open all night. There is no night service so why not plan ahead and stock the mini bar with your favourite nightcap. Just ask for details.

Heading Home

Due to the rural location of the hotel, we strongly suggest that any guests travelling home by taxi pre-book their journeys as early as possible, we advise this information is added to your evening invitations too, this will prevent guests having a lengthy wait at the end of the night.
